The Girl with the Louding Voice by Abi Daré

Adunni is a fourteen-year-old Nigerian girl who knows what she wants: an education. But instead, Adunni's father sells her to be the third wife of a local man who is eager for her to bear him a son and heir. When Adunni runs away to the city, hoping to make a better life, she finds that the only other option before her is servitude to a wealthy family. As a yielding daughter, a subservient wife, and a powerless slave, Adunni is told, by words and deeds, that she is nothing. She realizes that she must stand up for herself, and other girls like her, to change her fate.
