Sharp Objects by Gillian Flynn

Fresh from a brief stay at a psych hospital, reporter Camille Preaker faces a troubling assignment: she must return to her tiny hometown to cover the murders of two preteen girls.

For years, Camille has hardly spoken to her neurotic, hypochondriac mother or to the half-sister she barely knows: a beautiful thirteen-year-old with an eerie grip on the town. Now she must unravel the psychological puzzle of her past if she wants to get the story and survive.
